## Help Settle Your Own Country

Send Us the Names of Your Old Friends Back East.

Some of them may want to change their location and come west. A little help from you will assist us in reaching many who are looking for new homes. We mail your friends truthful literature about your part of the country and place their names on the complimentary mailing list of "The Earth," an interesting monthly devoted to Southwest immigration.

Don't put it off. Write this week to  
**C. L. SEAGRAVES**  
General Colonization Agent  
1119 Ry Exchange, Chicago.

**Postage Stamp Market.**  
One of the familiar and picturesque sights of Paris is the postage stamp market, which meets, both in summer and winter, under the trees of the Champs Elysees. Here stamp collectors meet, buy and sell and discuss prices.

**Hunt for Rare Deer.**  
The well known German animal dealer, Jamrach, has an agent in Siam hunting for the big deer known as cervus Schomburgk. No specimen of this denizen of high ranges in Siam has ever been taken to Europe alive.

**His Favorite Book.**  
Hundreds of passersby saw a dapper little man one night on one of the avenues uptown in New York. He was well dressed, but his fine clothes were soiled with mud, while his hat was battered in. He was very much under the weather. As he zigzagged his way up the avenue there protruded from his overcoat pocket a paper covered book. The title was observed by every one. It was "The Simple Life."

**Better Than Spanking.**  
Spanking does not cure children of bed wetting. If it did there would be few children that would do it. There is a constitutional cause for this. Mrs. M. Summers, Box 38, Notre Dame, Ind., will send her home treatment to any mother. She asks no money. Write her today if your children trouble you in this way. Don't blame the child. The chances are it can't help it. 3

**Had Learned the Words.**  
It was a lecture on health, delivered before a roomful of working girls. The word oxygen had been used. Immediately one of the girls rattled out glibly: "I know—oxygen, hydrogen, nitrogen." "Well, what do you know about them?" asked the nurse. "Oh, I dunno nothin' about 'em, but we learnt 'em at school," was the answer.

**Long Time Building Memorial.**  
The Rev. Henry Francis Lyte, whose hymn, "Abide With Me," is one of the most precious to Christian hearts, was vicar of Lower Brixham. Thirty years ago an attempt was made to rebuild the old church as a memorial to him. Some progress was accomplished, and now a final effort is being made to finish the tower.

**Indifferent Persian Debtor.**  
A Frenchman called on a Persian one day and asked him to pay a debt, but the indifferent debtor made answer: "I will pay you some time." "When is some time?" queried the impatient Frenchman. "It is twelve months, eighteen, or two years?" "I don't know," answered the bland son of Iran. "I guess we had better say when I am ready."

**"Shopping" Once Slang Word.**  
"Shopping" was certainly a slang word until past the first quarter of the nineteenth century. Bee's Dictionary of Sports and Slang, published in 1825, defines the word as follows: "Shopping—Among women, going about from shop to shop, buying little articles perhaps, perhaps not, but always pulling about great quantities of goods."

OF TEXAS.

## Newbro's Herpicide

### WHAT HERPICIDE DOES

Newbro's Herpicide destroys the tiny vegetable growth in the scalp that causes dandruff, itching scalp, falling hair and baldness. Once this microbic enemy of the hair is destroyed, and kept out of the scalp, the hair is bound to grow as nature intended, except in cases of chronic baldness.

### WHAT SUNLIGHT DOES

Sunlight is nature's great germ destroyer and prophylactic. The effect of sunlight upon the scalp proves highly beneficial. If a complete plan of scalp cleanliness is carried out. This cannot be done without the use of Herpicide, which prevents reinfection and keeps the scalp pure and wholesome.

More men and women have gotten positive results from the use of Newbro's Herpicide than from all other hair remedies combined.

### HOT WEATHER TROUBLES

The perspiration that exudes in increased quantities during the summer months carries out poisonous and refuse matter that would otherwise clog up the pores of the scalp.

Incomplete elimination of this waste produces a hot and feverish condition of the sweat glands known as Prickly Heat for which Herpicide gives immediate relief. Herpicide stops itching of the scalp almost instantly.

Col. Thomp Burton, Member of the Board of Managers of the Ohio Penitentiary, writes as follows of Newbro's Herpicide: "As to Herpicide I find it an excellent hair dressing as well as being the first and only absolute dandruff cure I have found." Upon my advice a number of my friends are using Herpicide, and the unanimous verdict is, that Herpicide is, in all respects, that its manufacturers claim for it.

**SOLD AT DRUG STORES**
